Hi Ed-

I'm not at work this afternoon, so I don't know for sure, but I do know that I have a case scheduled in Holyoke tomorrow. The name ([REDACTED]) does not look familiar, but if the lab numbers for the case are [REDACTED] and [REDACTED], then that is the one. I also found out this morning that I might be needed in Springfield Superior Court tomorrow for a motion hearing (the police department no longer has the drugs, so they may need me to attest that they did in fact exist), and I am waiting to hear back from the ADA. If the lab numbers for [REDACTED] are not the ones I previously mentioned, please let me know the correct ones and I will get it ready in the morning.
